Horoscope Charts

Lagna Chart(Birth Chart)

Ascendant or Lagna, is the degree of the sign which is rising on the eastern horizon at the time of birth. The Lagna is the most influential and important sign within the natal or lagna chart. This sign will be considered the first house of the horoscope, and the enumeration of the other houses follows in sequence through the rest of the signs of the zodiac. In this way, the Lagna does not only delineate the rising sign, but also all the other houses in the chart.

Moon Chart

Moon Chart is an important tool of prediction and the results of planetary combinations are more prominent when the yogas or certain combinations happen in both Moon and Lagna Chart.

Navmansha Chart(D9)

Navmansha Chart is the most important divisional chart, Navmansha means nine part of a particular Rashi in which each Amsa consists of 3 degrees and 20 minutes

You are charming, motivated, fun and would love adventures. You may hold a top position in administrative civil services, police, military, state government or corporate office, You will be a reputed in business and sports. You may be outspoken and straightforward But might appear non-caring, but that is not the case, you can be the most caring people inside. You can be seen as spendthrift but in reality you are a planned spender

You possess great ambition and never settle until you achieve the remarkable heights you set for yourself. Money, position, and power hold significant importance for you.

Since the lord of the ascendant, Mars is in the 4th house, Mars in this house is a significator of land. You shall be able to acquire parental property with ease. However, if your ascendant lord is Aries then it will debilitate you. It shall create a power struggle with your mother and you will have no private life and no family peace at home. You shall be both confused in your home and your career.
